

The Museum of *Borrowed Shadows*

Three ordinary things. Three lives the light remembers.

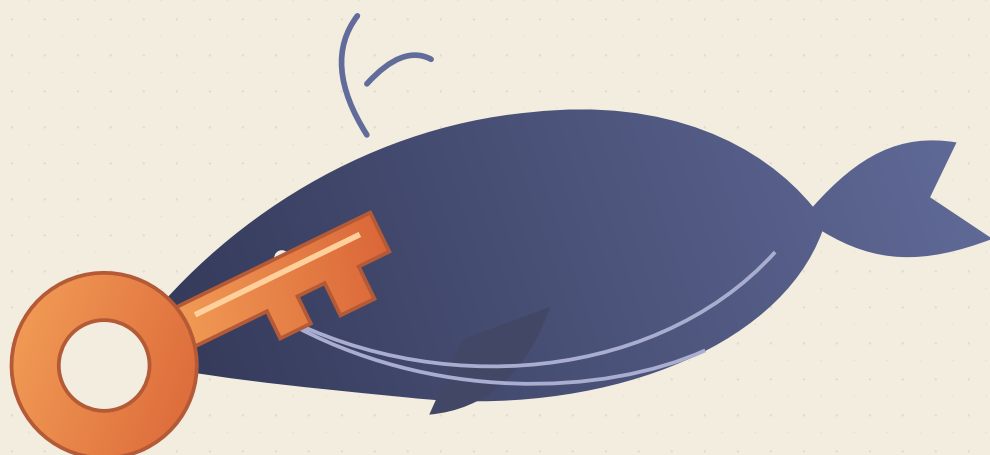

01 / PORCELAIN

A cup of altitude

For someone who misses
a place they never climbed.

SHADOW ON LOAN: A MOUNTAIN

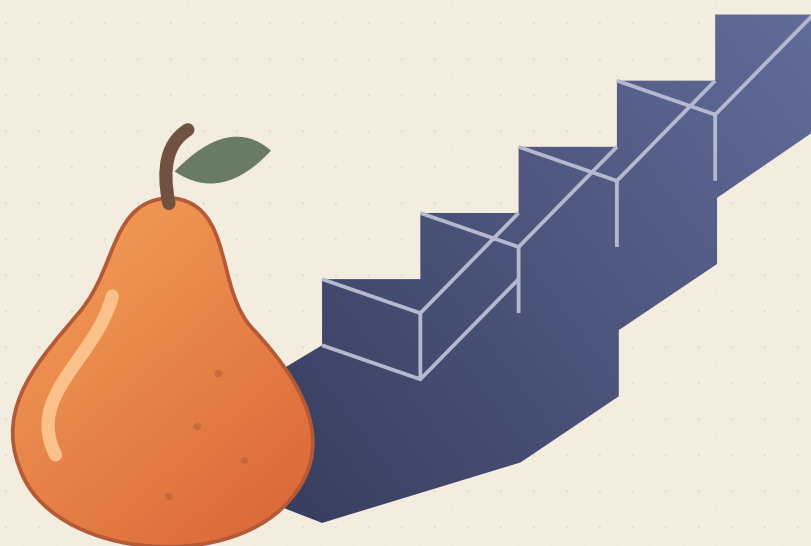

02 / BRASS

The ocean key

Some doors open
only when you listen.

SHADOW ON LOAN: A WHALE

03 / FRUIT

A ripening ascent

Leave it in the sun.
Tomorrow, another step.

SHADOW ON LOAN: A STAIRWAY

Please return all darkness before closing.
